Linear LED Luminaire

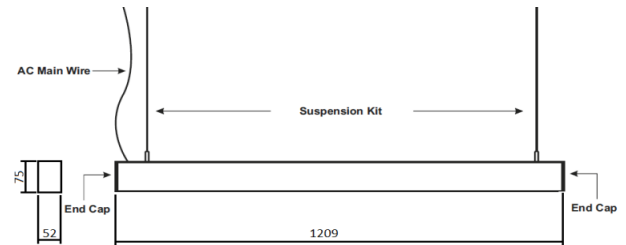

Product Profile

Product Information :-

LED linear is an indoor commercial suspended luminaire has a precise optical system with aesthetic looks to achieve superior performance, which provides high uniformity and excellent efficiency .

Product dimension :-

Product Specifications :-

- * Epoxy black powder coated aluminium extruded housing;
- * Efficient PMMA diffuser
- * Highly efficient LED;
- * Constant current LED Driver
- * CRI >80;
- * Longlife 50000 hrs. at L70;
- * CCT available in 3000K/4000K/5700K/6500K
- * IP 20
- * Standalone type with 3 core black mains wire

Installation :-

Suspension mounting with the help of 02 mtr suspension wire

Application :-

- * Hospitality
- * Modern work space
- * Commercial

Product Selector :-

Cat. Ref.	System Wattage (W)	Rated Input Voltage (VAC)	Input Current (A)	Power Factor	Case Lot
IMSL09-28NWSAB	28	240	0.122	>0.95	4

Note:- XX WW-3000K NW - 4000K WH - 5700K CW -6500K

* Tolerances as applicable
